About ECU

Edith Cowan University provides much more than just a workplace. It’s a place where you can be inspired to achieve great things. A place where you can collaborate and work with other enthusiastic and committed people. We pride ourselves on being supportive, flexible and relevant to the real world.

Join a truly progressive organisation. One where you can reach your potential.

LECTURER (LEVEL B) – HUMAN BIOLOGY/BIOMEDICAL SCIENCE

Faculty of Computing, Health and Science
School of Exercise, Biomedical and Health Sciences
Joondalup Campus

Overview
The Human Biology and the Biomedical Science degree programs are two successful and expanding programs within the university. Both areas are supported by excellent teaching facilities and both have extensive research resources.

You will play a significant role in both these programs, contributing to undergraduate teaching, the supervision of honours and postgraduate students, and to the research output of these disciplines.

You must have a PhD in a relevant discipline and be able to teach at the undergraduate level in Human Physiology, Histology and Anatomy. An ability to teach Pharmacology is also desirable.

Benefits & Remuneration
This ongoing, full-time position attracts remuneration of $84,407 to $100,236 pa including 17% University superannuation contribution, with a salary component of $72,143 to $85,672 pa. ECU offers salary packaging options and generous annual leave. In support of a work / life balance, benefits such as flexible working arrangements may also be negotiated to meet your personal circumstances. For further information on the benefits of working at ECU, please visit our StaffPLUS website.

Contact
Interested applicants are encouraged to call Dr Chris Meredith on (08) 6304 5147.
